

DEVELOPING AN ACTION PLAN

Now it is your turn to develop a plan for how you can take the information from this presentation back to your classroom/center. Using the table below, outline five extended conversations you can have with children in your classroom.

When can I engage children in extended conversations? (time of day/ location in classroom)	During this time what can I talk about with children? (topic and how it relates to children's interests)	What open-ended questions can I ask to extend the conversation?	How can I expand on children's words?	What novel words can I introduce in this conversation?
